**KARATE\* Self-Defense!!!**

Learn Pressure and Nerve Centers From Special Charts

**Faster, More Effective than JUDO!**

(\*pronounced KA-ROT-A)

Now you can learn Karate,\* the most deadly and effective method of self-defense hand-to-hand combat ever devised by the ancient Japanese masters. The centuries old method of Karate teaches you how to use the **PRESSURE POINTS AND NERVOUS SYSTEM** of your opponent's body to **RENDER HIM ABSOLUTELY HELPLESS WITHIN SECONDS**. Your hands, fingers, elbows and feet actually become super weapons when using the amazing **KARATE TECHNIQUE** which was originally and secretly reserved for the Emperor's hand-picked guards. In studying Karate, you will immediately understand how a 97 pound weakling can easily overpower and even cripple a 200 pound brute in just seconds, using only your bare hands. Strangely enough, Karate is easier to learn and use than judo, because it does not employ the intricate movements and throws which can take years of practice to master. In this new and heavily illustrated book,\* "Karate, the Open Hand and Foot Fighting," Mr. Bruce Tegner, one of the world's great Karate instructors, explains, shows, teaches and simplifies the fascinating art of Karate for you. In this wonderful new book, Mr. Tegner has included many anatomical charts showing how to use the nervous system and pressure points for mild, serious, and fatal blows. You will learn the Karate striking points and positions, defense against annoying attacks and serious attacks. **YOU WILL SEE BRUCE TEGNER IN ACTION IN OVER 150 PHOTOGRAPHS TEACHING YOU HOW TO HANDLE MUGGERS, STREET-FIGHTERS AND EVEN KNIFE AND GUN ATTACKS.** In studying Karate, you will understand why even high ranking judo experts will avoid combat with a good Karate man. Mail the coupon below right now, and you may examine this fabulous book for 7 full days at our risk. You must be completely satisfied, gain more confidence in yourself and your physical ability, or return the book to us for a full refund. ### VOLARE

#### NEL BLU, DIPINTO DI BLU

MITCHELL PARISH DOMENICO MODUGNO  
F. MIGLIACCI

Penso che un sogno così non ritorni mai più:  
Mi dipingevo le mani e la faccia di blu;  
Poi d'improvviso venivo dal vento rapito  
E incominciavo a volare nel cielo infinito.

Volare, oh, oh!  
Cantare, oh, oh, oh, oh!  
Nel blu, dipinto di blu,  
Felice di stare lassù.  
E volavo, volavo felice più in alto  
Del sole ed ancora più su,  
Mentre il mondo pian piano spariva lontano laggiù,  
Una musica dolce suonava soltanto per me.

Volare, oh, oh!  
Cantare, oh, oh, oh, oh!  
Nel blu, dipinto di blu,  
Felice di stare lassù.  
Nel blu, dipinto di blu, felice di stare lassù.

Sometimes the world is a valley of heartaches and tears,  
And in the hustle and bustle, no sunshine appears,  
But you and I have our love always there to remind us,  
There is a way we can leave all the shadows behind us.

Volare, oh, oh!  
Can tare, oh, oh, oh, oh!  
Let's fly way up to the clouds,  
Away from the madd'ning crowds;  
We can sing in the glow of a star that I know of,  
Where lovers enjoy peace of mind,  
Let us leave the confusion and all disillusion behind,  
Just like birds of a feather a rainbow together we'll find.

Volare, oh, oh!  
Can tare, oh, oh, oh, oh!  
No wonder my happy heart sings,  
Your love has given me wings,  
Your love has given me wings,  
Your love has given me wings.

### A KOOKIE LITTLE PARADISE

BOB HILLIARD LEE POCKRISS

Juke box playin' in the jungle  
No charge absolutely free  
Soft drinks bubbling down a mountain  
To the Carribean Sea:

What a kookie little paradise  
What a kookie little paradise  
Never was an island half as nice  
As my kookie little paradise.

Sport cars one for ev'rybody  
No speed limit on the beach  
But there's lots of education  
Makin' love is what they teach:

Boy friends any girl can have one  
Girl friends one for ev'ry guy  
Ice cream loaded with bah-nah-nahs  
And there's always pizza pie.

### FINGER POPPIN' TIME

HANK BALLRAD

Hey now, hey now, hey now, hey now  
It's finger pop, poppin' time  
Finger poppin', poppin' time  
I feel so good and that's a real good sign.

Here comes Mary, here comes Sue  
Here comes Johnny and Bobby, too  
It's finger pop, poppin' time  
I feel so good and that's a real good sign.

Hey now, hey now, hey now, hey now  
Hey baby, come along with me,  
Hey baby, come along with me  
We're goin' to shake it till it breaks  
Just wait and see.

### THE SAME ONE

BENTON LOVERNE

The same one you walked away from  
The same one you made cry  
That same one is begging  
Please give our love another try.  
The same one you said you needed  
The same one who needed you  
That same one is lonely  
Please mend a heart you've broken in two.

Altho' you're fickle-hearted  
Darling, I will forgive  
'Cause I knew the day we parted  
Without you I could not live.  
The same one you played a game with  
The same one who gave his all  
That same one is waiting  
Completely at your beck and call  
The same one, the same one, the same one,

The same one, I'm the same one, the same one,

The same one.

### WAY IN THE MIDDLE OF THE NIGHT

DORSEY BURNETTE JOHNNY BURNETTE

You never miss the water till the well runs dry,  
You never miss your baby till she says,  
"Bye bye"

Way in the middle, way in the middle of the night,  
Well ev'rything around turned upside down

Way in the middle of the night,  
My baby left me and caught a train out of town

Way in the middle of the night,  
Oh, where she went, I do not know  
Way in the middle of the night  
She left me, it was freezing cold,

Way in the middle of the night  
Way in the middle, way in the middle of the night  
Way in the middle, way in the middle of the night.

Way in the middle, way in the middle of the night.

### THE TWIST

HANK BALLARD

Come on baby, let's do the twist,  
Come on baby, let's do the twist,  
Take me by my little hand and go like this:

Ee oh twist, baby, baby, twist  
(Round and around and around and around)

Just, just like this  
(Round and around)  
Come on, little miss, and do the twist  
(Round and around)

While Daddy is sleeping and Mama ain't around,  
While Daddy is sleeping and Mama ain't around,  
We're gonna twisty, twisty, twisty  
Until we tear the house down.

You should see my little Sis  
You should see my little Sis  
She knows how to rock and she knows how to twist.

### MY HEART HAS A MIND OF ITS OWN

HOWARD GREENFIELD JACK KELLER

I told this heart of mine  
Our love could never be  
But then I hear your voice  
And something stirs inside of me  
Somehow I can't dismiss  
The mem'ry of your kiss  
Guess my heart has a mind of its own

No matter what I do  
No matter what I say  
No matter how I try  
I just can't turn the other way  
When I'm with someone new  
I always think of you  
Guess my heart has a mind of its own

You're not in love with me  
So why can't I forget  
I'm just your used to be  
It's wrong and yet  
I know forgetting you  
Would be a hopeless thing  
For I'm a puppet  
And I just can't seem to break the string

I say I'll let you go  
But then my heart said no  
Guess my heart has a mind of its own.

# "The Risk of Going Steady"

by **connie  
stevens**

A very controversial subject in past years and at the present is that of going "steady." It was presumed in the past to be just a fad dreamed up by the modern teen that would eventually be forgotten. This, however, has been proved a fallacy, for now, more than ever, one can readily see scores of gals with their steady's rings on a chain worn around their neck, or on their fingers. This practice is fine for the girl who is old enough. By that, I do not mean age-wise or physically old. A girl may be 18, 19 or even 20 and still not be mentally mature. It takes much more than a grown up body or face to be mature.

Going steady is a mild case of being engaged. And being engaged, I believe, means two people are in love and will be married in the near future. I don't believe in engagements with no set wedding date. Going steady usually means two people like one another very much and do not wish to date anyone else. But, a situation which is very often the case is that of a friend I had a few years ago.

This young lady's name was Karen and

she was an attractive girl who had no trouble finding a date for Saturday nights. She had been dating Bobby for several months. Finally, Bobby asked her to go steady and she accepted without even thinking. When I asked her later if she really liked Bobby enough to date only him, she replied, "Oh Connie, don't be silly, I can date other guys, too. You know, on the sly. Sure, I like Bobby but I like other boys, too. I just accepted his ring so I wouldn't hurt his feelings. Besides, I only see Bobby on weekends. I have the whole week to date other boys." I hoped that Karen would come to her senses before it was too late, but she didn't. Not long afterward, Karen's dates began to dwindle, and soon she was being dated by only Bobby. She could not understand this until one day Bobby called the whole thing off and took his ring back. When she asked him what was wrong he said that no one liked a two-timer!

Since that time, Karen has learned her lesson, the hard way. Does this incident sound familiar to some of you readers? I'm sure that it does. Possibly you, like Karen, learned first-hand.

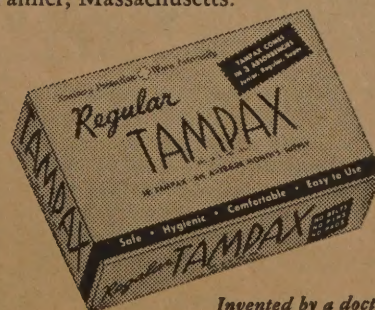

## HOW'S A GIRL TO KNOW WHEN SHE'S REALLY GROWN UP?

Maturity is more than having your own door key or driver's license. *Maturity is a state of mind.* You have the wisdom and conviction to make your own decisions and *stay with them.*

## YOGI

LOU STALLMAN SID JACOBSON  
CHARLES KOPPELMAN

Hey BooBoo!  
I saw a 'Kook' who was standing on  
his head  
He flipped his lid like he should have  
been in bed  
I said, "What gives, man?"  
He looked at me and said,  
"I'm a Yogi, baby, I'm a Yogi  
I'm a Yogi, baby"  
Hey BooBoo!

And then the cat started strutting on  
hot coals  
He was wearing sneaks,  
But they were so full of holes  
He sang right out from the bottom of  
his soles,  
"I'm a Yogi, I'm a Yogi, baby,  
I'm a Yogi, I'm a Yogi, baby,"  
Hey BooBoo!

"Listen here, baby," the Yogi man  
said,  
"It's all a matter of the mind,  
Just commune with your inner most  
being,  
Baby, you'll be just fine."

He was hip alright wasn't he  
"Though I tried my best to dig my  
inner me,  
I walked on coals, my head below my  
knee,  
Until at last I heard him say perfectly,  
"I'm a Yogi, I'm a Yogi, baby,  
I'm a Yogi, I'm a Yogi, baby,  
Hey BooBoo."

## KIDDIO

BENTON LOVERNE

I told you baby how I feel  
One word can close this deal  
Baby be my queen of hearts  
Please gimme that love you got  
Won't you say yes, don't you say no  
Make me feel good kiddio.

Maybe I'm just wastin' time  
Can't get you off my mind  
You could make me feel so good  
I know you could if you only would  
Won't you say yes, don't you say no  
Make me feel good kiddio.

I wrote you a six page letter  
I called you on the phone  
But you started talking 'bout the  
weather  
Kiddio don't you know that's wrong.

I can't stand this flamin' love  
Help me up don't let me down  
Kiss me baby, tell me so  
If you love me let me know  
Won't you say yes, don't you say no  
Make me feel good kiddio.

## MY LITTLE CORNER OF THE WORLD

BOB HILLIARD LEE POCKRISS

Oh, come along with me to my little  
corner of the world  
And dream a little dream in my little  
corner of the world  
You'll soon forget there's any other  
place  
Tonight, my love, we'll share a sweet  
embrace  
And if you'd care to stay in my little  
corner of the world  
Then we can hide away in my little  
(corner) of the world  
I always knew I'd find someone like  
you  
So welcome to my little corner of the  
world.

Hi teens:

Once again HIT PARADER presents a double-barrelled issue jam-packed with your favorite recording stars and popular songs.

Kickin' off the first portion of our mad mag is that cute little bundle of success, Brenda Lee. A short time ago Brenda spent a four day visit in the "big city." She had a ball and our photographers never let her out of their lens. There's plenty of flicks and a fab story.

An exclusive account on Bobby Rydell is in store for all our readers. Rumors have it that Bobby is near the point of collapse. Don't miss this true, first-hand account of your favorite swinger.

"The Risk Of Going Steady", is the tag which Connie Stevens gives her story. Connie is the crooning Crickett on the T.V. presentation, "Hawaiian Eye." Her latest and best release on Warner Brothers is, "Too Young To Go

CONNIE STEVENS

Steady." Read Connie's own opinion on the controversial subject of going steady.

HIT PARADER invites you to attend a Jack Scott recording session. Yes gang, that's right, we want YOU to actually witness a Jack Scott recording session. Sound good? Read on and learn all the details.

Next on the H. P. agenda is an exclusive 3-page lay-out on "June Valli — The Voice." June's biggest record to date is "Looking At The World Through A Teardrop." A real great record for a really tremendous singer, and her story will gas you.

A host of other stars fill the pages, such as Jeannie Thomas and her beauty tips column, the new singing sensations, The Eligibes, John Gabriel — "An Actor Who Can Sing" and many more.

## THE LOVIN' TOUCH

JACK KELLER GERRY GOFIN

I've loved a few and left a few  
 'N' kissed a hundred more  
 But 'til I met you I never knew  
 What I was lookin' for  
 You've got the lovin' touch  
 Yeah, yeah, the lovin' touch  
 Your charms are much too much  
 Baby, you've got the lovin' touch.

Yeah, just enough of all the stuff  
 You need to satisfy  
 Your finger tips just make me flip  
 And, baby, you don't even try.

Life's a play  
 But then some day  
 We've got to end the show  
 And when we kiss I know  
 That this is the only way to go.

## LUCK OF THE IRISH

B. ANDERSON

I just found out that they've discovered  
 gold in my front yard  
 Right next to the oil well flowing  
 there  
 And before I even staked my claim  
 The Western Union cable came  
 It said my richest uncle died  
 And I'm his only heir.

Everybody says about it  
 The luck of the Irish  
 The luck of the Irish  
 'ney say it's gotta be  
 But I was reany 'thinkin'  
 The luck of the Irish  
 The Sloish, Polish, caddy Scotch  
 And I'm from Tennessee.

Tuesday was election day down at the  
 County Seat  
 It was rainin' and not many folks came  
 'round  
 In the race I liked nobody else  
 And so I voted for myself  
 Mine was the only ballot  
 Now I'm Mayor of the town.

A pretty girl moved into town last  
 Wednesday afternoon  
 By Thursday all the guys had flipped  
 their lids  
 And on Friday when the crowd had gone  
 She asked me if I'd take her home  
 I dated her on Saturday  
 Now Sunday we'll be wed.

Devil or angel, I can't make up my  
 mind  
 Which one you are, I'd like to wake up  
 and find  
 Devil or angel, dear, whichever you are  
 I miss you, I miss you, I miss you.  
 Devil or angel, please say you'll be  
 mine  
 Love me or leave me, I'll go out of my  
 mind  
 Devil or angel, dear, whichever you  
 are  
 I need you, I need you, I need you.

You look like an angel  
 Your smile is so divine  
 But you keep me guessing  
 Will you ever be mine  
 Devil or angel, please say you'll be

ADVICE ON  
 SKIN BLEMISHES  
 FROM

## Clearasil Personality of the Month

PEGGY BANE, Junior, Aiken High School, Aiken, South Carolina

Pert and pretty, Peggy is the typical  
 "5 foot 2, eyes of blue" American  
 girl. She loves tennis, music and pho-  
 tography. Last March, she was Debu-  
 tante of the school ball. Peggy had a  
 difficult time with skin blemishes,  
 but finally found the answer.

Read what Peggy did: "I used to envy girls who never seemed to have skin trouble.  
 Then, a girl with a really nice complexion confided that she had had pimples, too.  
 She told me about Clearasil and now for the  
 first time in months, my face is clear!"

Skin Specialists Explain How Clearasil Medication  
**GETS INSIDE PIMPLES TO CLEAR THEM FAST!**

A pimple is a clogged, inflamed pore. The real trouble is inside! That is why Skin Specialists agree that the *vital medical action* you need is the *Clearasil action* which brings the medication down inside pimples . . . where antiseptic and drying actions are needed to clear them fast.

**How Clearasil works fast:** 'keratolytic' action penetrates pimples. Antiseptic action stops growth of bacteria that can cause pimples. Oil-absorbing action works to remove excess oil, dry up pimples fast.

**Skin-Colored...** hides pimples while it works. In Doctors' tests on over 300 patients, 9 out of 10 cases cleared up or definitely improved while using CLEARASIL. Tube, 69¢ and 98¢. Lotion squeeze bottle, \$1.25. (no fed. tax). Money back guarantee. At all drug counters.

Would your experience  
 help others?

You, too, may have had skin problems and found Clearasil helped end them. When you think of the wonderful relief that effective treatment can bring, you may want to help others. You can, by writing us a letter about your experience with Clearasil. Attach a recent photograph of yourself (a good close-up snapshot will do). You may be the next CLEARASIL PERSONALITY OF THE MONTH. Write: Clearasil, Dept. PM, 122 E. 42 St., New York, N. Y.

Largest-Selling Because it Really Works

# The Little DOLL In The

## BIG CITY

**The "Little Doll"  
from Nashville, Tenn.  
"hit" New York and  
impressed all the  
"city slickers" with  
her charm, wit  
sincerity and talent.**

A pretty, pint-sized teenager dressed in gingham and carrying a large suitcase stepped pertly from the 2:30 p.m. Fifth Avenue bus. As the vehicle pulled away, the people waved from the windows and smiled. Brenda Lee waved back. "So this is New York" she thought. "How long I've waited to be here." She stood gazing up at the towering skyscrapers and was awed by their size and majesty. Soon, people began to notice the tiny sightseer and to stare curiously, for this little miss looked very familiar to them.

Passing by, at that moment was a youngster who knew the names and faces of most of today's singing stars and immediately recognized the little stranger. "Hey gang," he belted, "it's Brenda Lee." Before Brenda could catch her breath, a swarm of teenagers had surrounded her, "Please Brenda, give me an autograph," they chorused. Right in the middle of obliging the kids' requests, a policeman, hearing all the noise, came running to find what had caused the noise. He tried to break up the crowd, but in vain. For Brenda insisted, "That's alright officer, I don't mind them a bit. Let my fans get the autographs that I promised them."

When the throng had somewhat thinned, the kind police-

man offered his assistance. "May I help you find your destination, Miss Lee?" he said with a gallant bow. When the last autograph book had been signed, Brenda gratefully accepted her new friend's kind offer of assistance. "How," she asked, "do I get to Decca Records from here?"

"How would you like to arrive there in my squad car?" he asked.

Minutes later, the sleek car with its prize-passenger halted before the Decca Records' building.

The kaki-clad cop opened the car-door for Brenda and pointed toward the entrance. "Well, here we are."

"Gee, thanks an awful lot for everything," said Brenda, "if there's anything I can do —"

"Well, I do have a daughter, Patty who has a collection of autographs, but she hasn't got yours," he said with a grin.

It was no sooner said than done. (It should be noted here and now that Brenda Lee knows the importance of her fans and complies with their wishes if she can.)

Suddenly, Decca people began pouring out of doors from all directions and whisked Brenda inside to the cool, plush offices of the Decca executives. Once inside, Brenda was given

the lowdown on the activities for her four-day visit in New York. That evening, a gayla party was given in honor of Miss Lee and she was presented with a gold record for her top selling record, "I'm Sorry." The next day, Brenda was scheduled to appear on the extremely popular, Richard Hayes "Big Beat" TV Show. And appear she did, bringing with her a winning smile and heaps of talent which brought the roof down with applause.

The next day was hers to do with as she liked, so, Brenda decided to visit the famous Palisades Amusement Park. As the pictures reveal, Brenda really had a ball. She didn't miss a trip on one single thrilling ride, and she took a crack at all the games of chance, winning a variety of cuddly stuffed animals.

On Sunday, Brenda attended church as she does every Sunday, and spent an hour there thanking her Maker for all the blessings bestowed upon her.

Like all good things, she knew the "Big City" visit must come to an end. Early Monday morning, Brenda was winging her way back to her native Tennessee with wonderful memories of her beloved New York.

*Mr. Hayes introed Brenda's new album for the viewers. It's simply titled, "Brenda Lee"*

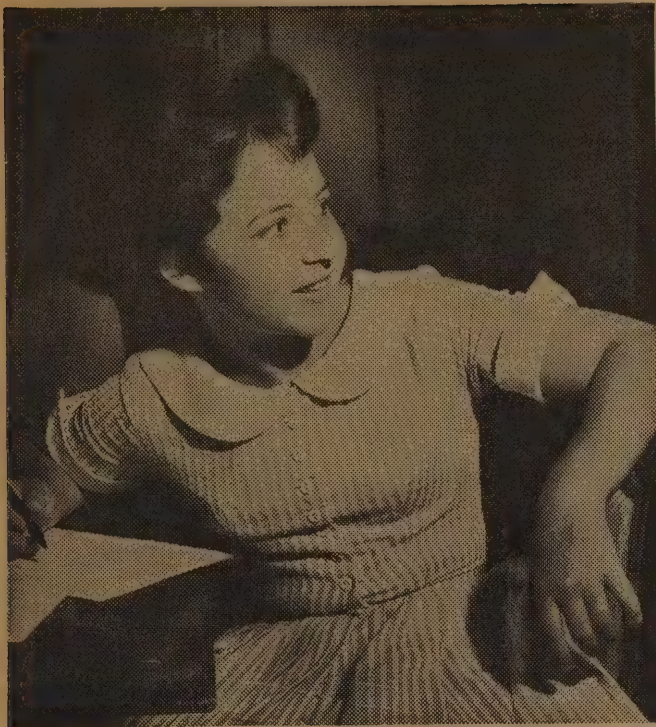

*After the show, B.L. had a ball signing autographs for all the happy fans.*

*The Decca music men turned out strong to welcome the little gal from the country to the big city. The personable and most talented gentleman, Dub Albritton (Brenda's left) is her manager.*

*Brenda took time off from her N.Y. tour to write to her friends and relatives back home.*

*Prizes to be won and from the looks of things, Brenda did more than her share of winning.*

*Away we go at Coney Island's fabulous merry-go-round. Brenda made this ride 7 times. Everyone else quit after the first merry ride.*

*You'll be sorry mister, 'cause back home Brenda is known as a real "tomboy". She sure can throw that baseball.*

## ITSY BITSY, TEENIE WEENIE YELLOW POLKADOT BIKINI

PAUL J. VANCE

LEE POCKRISS

She was afraid to come out of the  
locker  
She was as nervous as could be  
She was afraid to come out of the  
locker  
She was afraid that someone would see.

Two, three four, tell the people what  
she wore.

She was afraid to come out in the  
open  
And so a blanket around her she wore  
She was afraid to come out in the  
open  
And so she sat bundled up on the shore.

Two, three, four, tell the people what  
she wore.

Now she's afraid to come out of the  
water  
And I wonder what she's goin' to do  
Now she's afraid to come out of the  
water  
And the poor little girl is turning blue.

Two, three, four tell the people what  
she wore.

It was an itsy bitsy, teenie weenie.  
yellow polkadot bikini  
That she wore for the first time today  
An itsy bitsy, teenie weenie, yellow  
polkadot bikini.

Two, three, four, stick around and we'll  
tell you more.

From the locker to the blanket.  
From the blanket to the shore.  
From the shore to the water.  
Guess there isn't any more.

I'm trusting in you  
Swift wings you must borrow

## ONLY THE LONELY (Know The Way I Feel)

ROY ORBISON

JOE MELSON

Only the lonely know the way I feel  
tonight  
Only the lonely know this feeling ain't  
right  
There goes my baby, there goes my  
heart  
They've gone, so far apart  
But only the lonely know why I cry  
Only the lonely.

Only the lonely know the heartaches  
I've been through  
Only the lonely know I cry and cry for  
you

Maybe tomorrow, a new romance  
No more sorrow, but that's the chance  
You've got to take if you're lonely  
Heartbreak, only the lonely.

## LISA

GINDY WALKER

Lisa, I've never seen you  
And just your name is all I know  
And yet I know  
That you have torn my world apart  
Lisa, I found the letter  
That you wrote not long ago  
And the secret it revealed  
Has broken my heart  
You asked him  
If he'd told me of his love for you  
If he's asked me for his freedom,  
Like he'd said he'd do  
Lisa, I burned your letter,  
But on my heart the words remain,  
They've ruined my life,  
And my life is haunted by your name.

Recitation:

Lisa, I've heard of women like you,  
Who go after a man who's not free —  
You say it's right  
But you know it's wrong  
And that's why you meet secretly  
In the shadows of night,  
Your arms hold him tight,  
And your lips whisper passions and lies.

Lisa, is this your way  
To live just for today?  
To break hearts and pretend you don't  
care?

You may win if you cheat,  
But you'll find love bitter-sweet  
Are you proud of your faithless affair?  
My heart is broken,  
My dreams are dust,  
And I long to run somewhere and hide,  
But I made a vow,  
And I'll keep it now, and Lisa,  
He'll never know that I ever knew  
There was someone like you.  
But I'll never let him go.

## IMAGE OF A GIRL

GLASKY

ROSENBERG

As I lie awake resting from the day  
I can hear the clock passing time away  
Oh, I couldn't sleep for on my mind  
Was the image of the girl I hoped to  
find,  
Oh-oh-oh, ah-ah-ah.

I looked straight up at the ceiling  
above

Thinking of the girl whom I really love  
Oh, would it be soon when she'll exist  
The image of the girl that I've always  
missed,  
Oh-oh-oh, ah-ah-ah.

I twisted and I turned, oh, trying to  
sleep

But all I could do was only to weep  
For I haven't found that image yet  
Of all the girls I have met  
And now the clock is still passing time  
And I know that some day she'll be  
mine

And I know she will always bring me  
love

For she's the image of the girl I love,  
Oh-oh-oh, oh-oh-ah-ah.

But that don't right a wrong that's

Ask Ray Tollefson. He knows the art field is a good one. Former student of Art Instruction, Inc., home study art school. Now he

heads a big staff at Artists, Inc., Minneapolis—one of the largest commercial art studios in the entire Upper Midwest.

# How To Get Into Commercial Art

by Walter J. Wilwerding

Do you like to draw? If you do, you may have talent enough for a satisfying and rewarding career in commercial art.

This is a good field to get into. Over 11 billion dollars is being spent this year in advertising—much of that for art. Trained artists are in demand. Openings in the art field have increased about 50% during the last five years, according to a large employment agency.

Earnings? Up, even for beginners. And limited only by skill, training and experience. The sky's the limit.

How, then, do you get into commercial art? You must have talent, of course. Secondly, you should have special schooling. Besides the fundamentals of art, you will need to learn the requirements of the commercial art field, itself.

## Special Training Available

Don't think you will have to move from where you live, or spend full time, to get the education you need for a career in commercial art. Art Instruction, Inc.—a school with over forty-six years' experi-

ence teaching commercial art—will tutor you right in your own home, by mail. Among all advertising artists, illustrators and cartoonists today, one out of every ten, it's estimated, has studied with this school. Former students are now earning the going rate for their work at all levels. Many are earning from \$150 a week to over \$25,000 a year.

Ray Tollefson, whose photo is shown here, is a former Art Instruction student. He heads up a large and successful commercial art studio.

## 46 Years of Art Teaching

Founded in 1914, Art Instruction, Inc. has been teaching art for forty-six years. In this time it has grown to be the world's largest home study art school. The teachers are professional artists with experience in advertising art, illustrating, cartooning, and painting.

As a student you get lesson assignments based on the illustrated art textbooks that come with your course, together with a set of professional draw-

ing supplies. You do your lesson work at home, in your spare time. You go as fast as you like, or take all the time you need.

Your work is reviewed by professional artists at the school; then returned to you with corrections and suggestions. You get individual attention.

## You study basics, then specialize

Your first textbooks cover basic art subjects. You start by making sketches in outline to study shape. You go on to proportions and shading, basic figure drawing, composition. Training in the fundamentals of art is followed by more specialized work.

If you have read this far, you must truly have an interest in art and a definite flair for drawing. You are feeling, most likely, that a career in commercial art is what appeals to you.

## A Way to Test Your Talent Free

First you need to decide whether you have enough natural talent to be as successful as you'd like. I suggest you take our *Art Talent Test*. This was devised by professional artists at Art Instruction, Inc., as a test of natural talent. A copy will be mailed you free and without obligating you in any way.

Through the years, around a million and a half individuals have requested this Art Talent Test.

You take the Test at home. It's simple, yet it will tell the professionals at the school whether you have the necessary talent for a career in commercial art.

You start the test by indicating which of three sketches you think has the best composition or arrangement—also which of three pictures gives the best impression of distance. You draw a dress or costume on a model that's sketched for you. You put the missing shadows in an unfinished drawing of a house. One thing you do is just make a pencil sketch of anything you like to draw.

## To Help You Decide

Take this Test and we will send you a professional estimate of your talent at no cost or obligation to you. This will help you decide whether to consider further training for an art career.

Clip the coupon below and send today for this free Art Talent Test. It could be your start towards a fascinating and profitable career in art.

# IS THERE HEARTBREAK OR HAPPINESS AHEAD FOR Bobby Rydell ?

Bobby Rydell, a keen-minded youngster with an over-abundance of talent, is on the brink of near collapse!! This may sound very much like a rash statement on our part, but it could be true. This rumor is being whispered from ear to ear in hushed-up tones everywhere Bobby Rydell appears or is even seen. Bobby is suffering a loss of appetite and has endured many sleepless nights. All day and evening, just one thought haunts him constantly. He often thinks to himself, "Just like a record on my phonograph — after the song is over and the record gives a final musical spin, the needle slides into the last groove and is caught there like a leaf in the tide and has nowhere to escape. Nowhere to go, but around and around and around and never stop. It's the end of the song, but the melody lingers on and finally, even that too, dies down and there's nothing left, just emptiness and quiet."

These thoughts Bobby connects with his own career — his whole life. "Where am I going to go from here?" he asks himself. "Is this a dead-end street? Where shall I turn? What shall I do?"

Now hear us, Bobby Rydell!! We here at HIT PARADER know of your "troubles" and hope you will read this article and take heed. We're sure that you will eventually get over this fear — this very minor complex that haunts you. You've come a long way since your first record, and we know you're certainly not coming to a stand still at this late stage in the singing game. You've come this far — your millions of fans love you and you simply can't let them down now. The worries you've suffered and the anguish you've been through was in vain, and is sheer nonsense! We're sure that Elvis and all the others have felt exactly as you do now, at one time or another, and most likely still have doubts about staying at the top. As far as we are concerned, and that goes for the rest of the world too, you've already proven yourself worthy of the loftiest peak in the show business kingdom. You ARE at the top, and all you must do to say there is keep on singing! Our advice to you is, continue entertaining and forget your doubts and fears. Show your audience you love them as much as they love you. Please, Bobby, don't let us down, and above all, don't let your fans down !!!!

*Bobby digs girls and there is no doubt whatsoever that most of the teen chicks return the affection — as is purely evidenced by the wide grin on this lass' lovely face.*

# Meet The Skip-Jacks

One of the hottest vocal groups in the business today is The Skip-Jacks—three boys and two girls, each one a great talent and highly versatile. The Skip-Jacks were organized in November, 1958 by Bill Bronson, skilled musician-vocalist arranger. Now, in less than two years this group is well on its way to stardom.

The kids got their big break when they were "discovered" by Robert C. Rothafel the gentleman responsible for the excellent stage presentations at the Roxy Theatre in New York. Mr. Rothafel felt The Skip-Jacks had fine potential and booked them into the theatre for a month, and they were so enthusiastically received that they were held over for six months.

It was during their long engagement at the Roxy Theatre that The Skip-Jacks were signed to record for RCA-Victor, and their initial LP album, "Let's Get Away From It All" was released

last November. The group's modern style and beautiful blend caught the ear of Sid Ceaser who signed them for a guest appearance on his first TV spectacular show. Last July, while appearing weekly on NBC-TV summer series "Music On Ice", they had their second RCA-album released — "Sweet Hot and Blue". Between their records, and the weekly exposure on "Music On Ice" The Skip-Jacks have gained many fans from coast-to-coast. It is interesting to note that the TV series was produced by the same Mr. Rothafel who had given them their chance at the Roxy.

In addition to their records and TV appearances, these guys and girls are the pet jingle and commercial producers who have found their blend and fast sight reading ability to be a great asset in this work. They are also in demand for in-person dates in night clubs and concerts. Watch for The Skip-Jacks. We predict they'll be around a long, long time.

Cubre tu rostro

De linda princesa

No volveras

Lisboa Antigua y senorial

A ser morada feudal

A tu esplendor real.

Las fiestas y los luidos saraos

Y los pregonos al amanecer

Ya nunca volveran.

## MAR

(Stars In Your Eyes)

(Original Spanish Lyric)

R. LOPEZ MENDEZ

GABRIEL RUIZ

Mar se me fue

Dijo arios en tu azul lejanía

Mar sabes bien

Como duele perder un amor

Mar se me fue

Dijo adios en tu azul lejanía

Mar sabes bien

Como duele perder un amor

Siento que llega en tus olas

Vago rumor de su voz

Pero me quedo en la sombra

Con mi desesperacion

Mar se me fue

Dijo adios en tu azul lejanía

Mar saber bien

Como duele perder un amor.

## THE DARKTOWN STRUTTERS' BALL

SHELTON BROOKS

I'll be down to get you in a taxi, honey,

You better be ready about half past

eight,

Now dearie, don't be late,

I want to be there when the band

starts playing,

Remember when we get there, honey,

The two-steps, I'm goin' to have 'em

all,

Goin' to dance out both my shoes,

When they play the "Jelly Roll Blues,"

Tomorrow night at the Darktown

Strutters' Ball.

## LISBON ANTIGUA

(In Old Lisbon)

HARRY DUPREE

RAUL PROTOLA

J. GALHARDO

A. DO VALE

I gave my heart to you in Old Lisbon

that night,

Under the spell of your charms,

I felt your arms hold me so tight;

'Twas heaven to find such bliss in each

kiss;

I lost my heart but I found one so true,

In Old Lisbon with you.

It happened one night in Portugal

Lisbon was gay in the moonlight,

The stars were shining above when I

found you, my love;

What is this strangeness, this splendor,

All this myst'ry that makes me

surrender?

## STARS IN YOUR EYES

(MAR)

MORT GREENE

GABRIEL RUIZ

I see stars in your eyes

When my lips beg your lips to

surrender;

Stars in your eyes

When we kiss and you whisper you're

mine

Stars leave the skies,

But the night still is bright in their

splendor;

Deep in your eyes

Lovely stars still continue to shine,

No matter what dawn may bring,

No matter what you may say;

There's always one little thing,

That always gives you away,

Stars in your eyes

Make me thrill with a thrill, oh, so

tender;

I realize

Love is ours by the stars in your eyes.

# WIN A DATE

*Jack is into the mood now  
and is lost in the lyrics  
and the emotion  
he is projecting.*

Have you ever wondered what it's like to attend a record session and see an artist actually make a hit record? You're mighty unusual if you haven't. It's probably the most exciting and thrilling three hours you will ever spend.

Jack Scott is an artist who doesn't seem to make anything but hits. His three releases for Top Rank Records have all become best-sellers: "What In The World's Come Over You", "Burning Bridges" and now both sides of his newest release, "Cool Water" and "It Only Happened Yesterday." Below, you will see pictures that were taken at the session in which "Cool Water" and "It Only Happened Yesterday" were recorded.

If you would like to win a date with Jack and attend a Jack Scott record session, write why in 25 words or less and send the letter or postcard off to: Dick Gersh, 200 West 57th Street, New York 19, New York. Contest judges are the Editorial Staff of HIT PARADER. All entries must be postmarked no later than Midnight, October 14, 1960. The winner will be announced in a forthcoming issue.

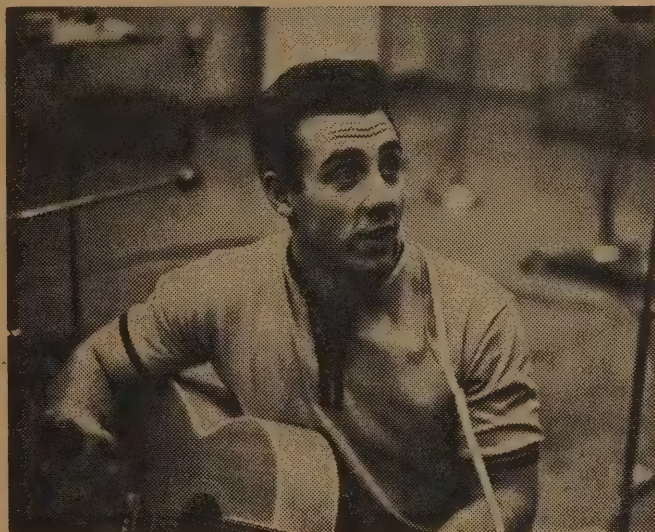

*This is the heart of the record session. Jack is "delivering" now with every ounce of feeling that he can muster the sound which has sold 3,000,000 discs.*

# with JACK SCOTT

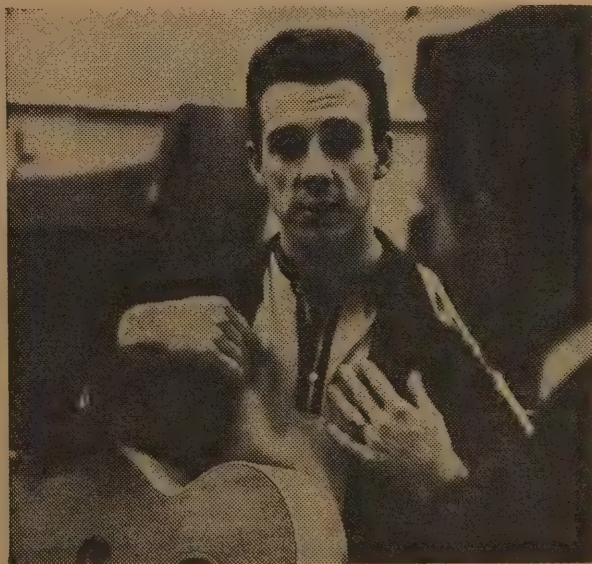

*This is it! The final "take." The lyrics and tempo are down perfect and the excitement is all over the studio as Jack belts out another hit for Top Rank.*

*"What did you think of the side when we played it back?" Jack seems to be saying. "Wasn't it just right?" Jack Scott is a true perfectionist.*

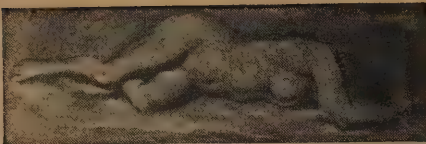

*He's completed the date but Jack sometimes overdubs his guitar to the original take so he can add a few chords to the record sound.*

*The session is over; Jack has his coat on and will shortly catch a plane back to Detroit, his home, to see the folks.*

## WAIT

DOC POMUS MORT SHUMAN  
I know that you'll be tempted  
To stray while I'm away  
But, baby, wait, wait, wait  
My darlin', wait, wait, wait, wait for me.

I know that you'll be lonely  
Ev'ry night I'm out of sight  
But, baby, wait, wait, wait  
My darlin', wait, wait, wait, wait for me.

I'll be returning to kiss you once again,  
To hold you once again,  
To love you once again  
I know you're yearning to go out now and then

Oh, darling, just wait a little longer  
So, baby, please be true  
'Cause I'll be true, true to you  
So, baby, wait, wait, wait, wait,  
My darlin' wait, wait, wait, wait for me.

## FAR, FAR AWAY

DON GIBSON  
Far, far away is my love of yesterday  
And she's gone, gone, gone, gone from me, from me

Far away is my life, my love, my way  
Wonder where, where, where, where,

Oh, where can she be  
Days, endless days, nights, dark dismay  
Lonely lonely where can she be  
Far, far away is my love of yesterday  
Wonder where, where, where, where,

Oh, where can she be.

## HAPPY SHADES OF BLUE

FRANK C. SLAY, JR. BOB CREWE  
Blue-bells around my doorstep  
Blue skies up above

Blue birds over the mountain  
And your blue ribbon love  
Shinin' in your blue eyes  
I'm a lucky lad  
Blue-bells, blue skies,  
Blue birds, blue eyes

I got the blues  
And I got 'em glad  
Oh-ho-ho  
Hap-happy shades of blue over you  
I mean you

I got happy shades of blue  
Over you.  
Oh-ho-ho.

## THOUGHT WAVES

JULIUS DIXON BEVERLY ROSS  
When I go away from my honey love  
No matter how far or near,  
We have a way to communicate,  
That nobody else can share.

'Cause we got thought waves,  
Thought waves, thought waves  
That only we two can hear  
If I wanna meet him eight o'clock  
Strange as it may seem  
He'll call say it just came thru our telepathic beam.

Buzz, buzz, buzzin' signal,  
And a thrill I can't explain,  
Then the thought he's thinkin' hits me,  
Goes spinnin' around in my brain  
So we don't need a phone or a jungle drum

To say, baby, I love you,  
Our love's so strong  
It fills the air  
And sends the message through.

## OVER THE MOUNTAIN, ACROSS THE SEA

REX GARVIN  
Over the mountain, across the sea,  
There's a girl, she's waiting just for me.

Cross over the river, beyond ev'ry cloud;  
She's passed the winds that's blowing loud;

Over the mountain, a girl waits for me.  
Tell all the sands and ev'ry blade of grass,

Please tell the winds to let my love pass;

Over the mountain, a girl waits for me.  
Tell the moon up in the sky,

Tell the birds that fly by,  
That over and over and over the mountain,

My love waits for me.

Into each dark and starry night,  
Oh, what a mystery that's sealed so tight,

Over the mountain a girl waits for me.

## THAT'S THE WAY THE COOKIE CRUMBLES

FRANK C. SLAY, JR. BOB CREWE  
Frankie had a crush on Johnnie,  
Johnnie fell for Nellie Blye,  
Johnnie never could be trusted,  
Frankie got disgusted,  
Shot him dead between the eyes.  
That's the way the cookie crumbles,

That's the way the cookie crumbles,  
she said,  
Chug-a-lug-a-hi-dee-ho-hay,  
That's the way it goes today.

If you really want my lovin'  
Here's a rule you must apply  
Better cut out all your cheatin'  
All your midnight creepin'  
Or else it's alley-oop goodbye Billy-boy

Lillie, Lillie don't get nervous  
I've been true and that's no lie

I got a sweetie way over town  
He's good to me, oh yeah  
Well, I got a sweetie way over town  
He's good to me, oh yeah  
Now he's my dreamboat, oh, yes indeed  
He's just the kind of man I need  
I found a sweetie way over town  
He's good to me, oh yeah.

I save my kisses and all my huggin'  
just for him, oh yeah  
I save my kisses and all my huggin'  
just for him, oh yeah  
When I say, baby, please take my hand  
He holds me tight  
He's my lover man.

Someday we'll marry  
Don't you understand  
'Cause he's my only lover man  
I found a sweetie way over town  
He's good to me, oh yeah.

He always answers my beck and call

I feel so proud walkin' by his side  
Couldn't get a better man

# JUNE VALLI

## "THE VOICE"

June Valli likes to put life into her songs. Bounce, and a lively beat — she has a talent for these, as do most pop singers, but the “life” June loves is realism. No “OO-eee-gaw” or “Oooby Doom” lyrics for her if she can help it — her top-selling disks have been story-songs, “Crying In The Chapel,” “The Wedding” & “Looking At The World Thru A Teardrop”. Each is a sentimental tale told to music, about a love-affair with a beginning and an ending, including both the heart-aches and the happinesses that make up real loving and living.

Especially does this petite Mercury star enjoy singing “real” songs to teen-agers. “Sure, youngsters get a kick out of fun songs and novelty tunes —,” she says, “but they have their deeper emotions, too. I don’t believe in singing ‘down’ to teen-agers — they’re young human beings capable of the same joys or hurts we adults feel. Gosh, I remember my own teen days —”

This doesn’t take any great feat of memory, of course, because dark-haired June with the brown velvet eyes still considers herself “just a grown-up Perry Como fan.” In her Bronx and Manhattan school days, when she was president of the Como Club, June was much too shy to realize that she had any vocal ability of her own. And if some soothsayer or Chinese fortune-cookie had ever intimated that she would some day appear in person on her idol’s own Television Show, she would have had stage fright for years in anticipation.

Even today, with millions of fans of her own, she says, “I’m always more nervous when singing with Perry than at any other time — and I still feel like hanging around the stage door and asking for his autograph when he come out!”

Born in New York of Italian and Austrian parents, she originally aimed at becoming a dress designer. After high School, however, she was forced to take a bookkeeping position until enough money could be saved for college and the designing course. It was at this time that Fate decided that if June’s life was to be associated with needles, it had better be the Hi-Fi diamond-point kind.

It was December of 1951. June attended the wedding reception of a friend in the Bronx. At the height of the celebration someone suggested that June sing a song. She was petrified, never having sung in public before. She sang “Stormy Weather.”

“It was an awful song at a wedding, but it’s the only one I knew,” she recalled with a shudder.

An uncle of Abe Burrows, author, wit and sometimes TV personality was at the reception. He was so impressed that he arranged for June to audition for the Arthur Godfrey Talent Scout Show. She won the first prize on the show two weeks later. Following that, she made network guest appearances with all the TV toppers, — Como, Ed Sullivan, Crosby — and in turn, these one-nighters lengthened into year-long engagements on the “Lucky Strike Hit Parade,” “Stop The Music,” and her own NBC “June Valli Show.” Signed by Mercury Records to a lush recording contract, and spot-lighted in all the plush nite-clubs and hotels of the country, the small brunette from the Bronx had, in a few short years, graduated to an internationally known singing star.

In disposition, June is quiet, serious, generous-hearted and sensitive. A person who has discovered that dreams you-never-even-dared-to-dream can come true, she is also a girl who knows that disappointments are a part of living, too. A marriage to Chicago disk jockey, Howard Miller, lasted only a brief two-and-a-half years, and she unashamedly ‘carried a torch’ for many months after their break-up.

Concerning her performances on stage, or on wax, she says, “I’m always frightened when I start to sing — and I hope I never get over it. I think that not being too sure of yourself makes you keep on trying to improve what you’re doing. A recording session leaves me with a funny reaction — I can tell I’ve made a good record if the tip of my nose feels cold —”

The “tip of the nose” bit is one she no doubt acquired from her closest companion, a dachshund named Schatzi. She also shares her apartment with a poodle, a parakeet, a canary and an aquarium of gold-fish. Although she loves to cook, “my pantry is so taken up with pet food, fish vitamins and parakeet and canary ‘treats’, I don’t have much room to store my own groceries.”

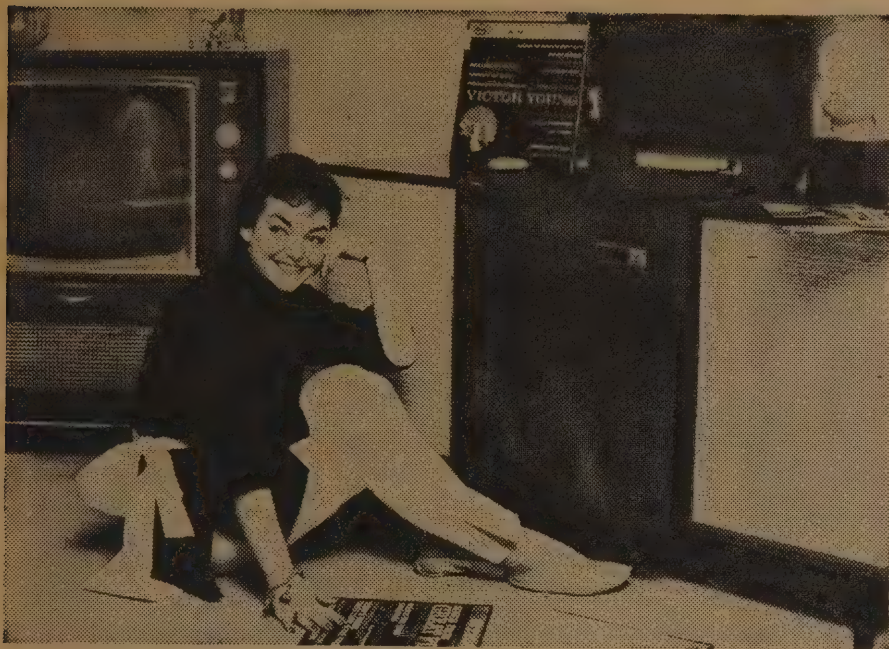

Another hobby is music-boxes, and her collection of them is a notable one. In clothes she prefers pastels or plain black, and unlike most dark-haired beauties she refuses to wear either orange or bright red. Curve-somely built, she’s a small girl — just five feet tall. In fact, to quote a New York newspaper critic, “Miss Valli is no bigger than a minute — but she has a showmanship that is electric, a drive and a personality and a voice that makes her talent seem ten feet tall. She is all voice!”

*Some of June's gowns cost upward of five-hundred dollars. This pert Miss is certainly one of the best dressed stars in the biz.*

**June is no bigger than a minute — but she has a showmanship that is electric — a drive and a personality and a voice that make her talent seem ten feet tall.**

*When not recording or on the road making successful personal appearances, our gal can be found at home listening to the best in popular music.*

*Miss Valli's beautiful French poodle is about as trained as an animal can be. June says, "I've got to watch him closely 'cause he just loves to play with my 'on stage' clothes."*

*Reading has always been one of June's most enjoyable pastimes. She reads (when time permits) at least one book per week.*

## OVER THE RAINBOW

**E. Y. HARBURG** **HAROLD ARLEN**  
Somewhere over the rainbow way up high,  
There's a land that I heard of once in a lullaby,  
Somewhere over the rainbow skies are blue,  
And the dreams that you dare to dream really do come true.  
Someday I'll wish upon a star and Wake up where the clouds are far behind me  
Where troubles melt like lemon drops.  
Away above the chimney tops that's where you'll find me.  
Somewhere over the rainbow bluebirds fly,  
Birds fly over the rainbow, why then, oh why can't I?  
If happy little bluebirds fly beyond the rainbow, why oh why can't I?

## I WALK THE LINE

**JOHN R. CASH**  
I keep a close watch on this heart of mine  
I keep my eyes wide open all the time  
I keep the ends out for the tie that binds  
Because you're mine I walk the line.  
I find it very, very easy to be true  
I find myself alone when each day is through  
Yes, I'll admit that I'm a fool for you  
Because you're mine I walk the line.  
As sure as night is dark and day is light  
I keep you on my mind both day and night  
And happiness I've known proves that it's right  
Because you're mine I walk the line.

You've got a way to keep me on your side  
You give me cause for love that I can't hide  
For you I know I'd even try to turn the tide  
Because you're mine I walk the line.  
I keep a close watch on this heart of mine  
I keep my eyes wide open all the time  
I keep the ends out for the tie that binds  
Because you're mine I walk the line.

**RUSSELL FAITH**  
Don't wanna rule a kingdom,  
With a queen upon my knee,  
Oh no not me  
Oh no not me  
Just wanna be, I wanna be the "King of love"  
Don't wanna own a fortune,  
Higher than the eye can see,  
Oh no not me  
Oh no not me  
Just wanna be, I wanna be the "King of love"  
Want a thousand hands to hold 'Bout a million lips to kiss  
Then someday when I grow old,  
Won't have to say look what I missed.  
Don't care if I get famous,  
Go down in history,  
Oh no not me

You are the answer to my lonely prayer  
You are an angel from above  
I was so lonely 'til you came to me  
With the wonder of your love  
I don't know how I ever lived before  
You are my life, my destiny  
Oh, my darling, I love you so  
You mean ev'rything to me.  
If you should ever, ever go away

There would be lonely tears to cry  
The sun above would never shine again  
There would be teardrops in the sky  
So hold me close and never let me go  
And say our love will always be  
Oh, my darling, I love you so  
You mean ev'rything to me.

No other one would give you half the love  
That I feel in my heart for you  
Come to me, come and let me share your destiny  
Can't you see there's just you

# "The Darkest Hour Before The Dawn"

for Capitol's

ELIGIBLES

If every success story has to have its "darkest hour before the dawn," the singing Eligibles have already had theirs — a very un-merry first Christmas in Hollywood.

That was the Christmas of 1957. Their first big break after months of the traditional hard knocks in Hollywood was a first record, "Shakespeare Rock 'n' Roll," a song they wrote themselves.

It was notably unsuccessful everywhere except in their hometown, Seattle, where it was requested continually by the boys' mothers. Unfortunately, the boys had quit their part-time jobs to plug the "hit," and Christmas found them singing Christmas carols around their neighborhood — where a well-wisher thought them such a pathetic sight he gave them \$5! They spent the whole fin on hamburgers.

Christmas of 1960 should see The Eligibles with a brightly-lit career under their tree. Capitol released their second album July 5 — a highly original, imaginative, and skillful program of jazz vocals entitled "Love Is A Gamble." The LP was all the more unusual as an indication of the Eligibles' versatility. Their first album was Old Western harmony tunes collected in a recording called, "Along The Trail."

Their latest single record, released July 25, is "East Of West Berlin," a topical tune about a soldier who must part with his love at the Russian zone.

In spite of their rising stock, the Eligibles stick to their early modus operandi; to sing any time they can polish their act and gather a few more friends.

Recently they entertained Hollywood's biggest names at the Friars charity testimonial dinner for Dean Martin.

Their full, chesty harmony was heard

in the soldiers' theme of the soundtrack for the movie, "The Horse Soldiers."

They have been appearing regularly on the Johnny Otis and Country America TV Shows in Los Angeles. (The quartet is as glib in pop and western music as rock-and-roll.)

They were a featured act on Ken Murray's Blackouts of 1959 and special guests on the Danny Thomas TV Show. Their appearances at high schools and colleges in Southern California are countless.

They have duced on several albums, including one with Capitol's Sonny James. Their first Cap single, "Car Trouble" and "I Wrote A Song," got big play even though the boys were tapped for military service about the time of its release and basic training proved a big hindrance in plugging the disc.

Though still in their early twenties, the boys' hopes for fame stretch back ten years. They first began singing together in junior high school at the war-boom town of Renton, Washington.

Bob Zwirn, the baritone and arranger, was born in Aberdeen, Washington, July 3, 1937; Ron Hirklin, the first tenor, is originally from Burlington, Washington, where he was born Dec. 4, 1937; second tenor Stan Farber was born in Ames, Iowa, Oct. 23, 1937; and Ron Rolla, bass, at Cumberland, Wisconsin, Dec. 6, 1936.

The repertoire the foursome has built since those first singing sessions now defies classification. The Eligibles sing progressive jazz, commercial pop, rock-and-roll, country-and-western, spirituals, barbershop, and even grand opera.

While students at the University of

Washington, the boys were virtually local celebrities, necessary to any college function. At that early age, nobody could argue with the name they picked for the group: the Smooth Shavers.

Just when the Eligibles' fame in Seattle was firmly established, baritone Zwirn succumbed to the siren call of Hollywood.

But for this, the Eligibles might have landed in the "big time" as a group. In the summer of 1937, the remaining three boarded a bus for Southern California, where they intended to coax Zwirn back to Seattle and security. In the end, all four stayed — although now as they look back on their meager early existence, they can't explain why.

At one point, with no money to pay rent, they took sleeping bags and bedded down in the backyard of a relative's home. Bob Zwirn was discovered working nights in a photo lab; "Big Ron" Rolla got a job in an all-night record store; "Little Ron" Hicklin tucked in patients at a dog-and-cat hospital; and Stan washed dishes at a 24-hour cafe. That left days free for rehearsing and knocking on Hollywood's well-known immovable doors.

When Eartha Kitt needed an act to complete her show at Las Vegas' glittering El Rancho Vegas in March last year, the boys were enlisted. They borrowed \$500 for tuxedos and a used car, and departed for the Vegas Strip.

The Vegas act proved the turning point. Not long afterwards came a contract with Capitol Records and a long list of similar successes.

The Eligibles have just recently returned from several months' active duty with the Air National Guard at Lackland Air Force Base, San Antonio, Texas.

## IT'S A LITTLE MORE LIKE HEAVEN

H. JOHNSON J. CASH J. ATKINS

I have sailed the peaceful waters of the ocean deep and blue  
Felt the rapture of the dawning  
Thrilled to sunset's golden view  
I have soared above the mountains, dear  
Or valleys straight and wide  
But it's a little more like heaven by your side  
It's a little more like heaven where you are.

I have sought for happiness both near and far  
But my search for love was through  
The day that I met you  
'Cause it's a little more like heaven where you are.

I have watched the crystal raindrops fall to earth to cool the day  
Watched the rainbow at twilight when the clouds had flown away  
I've adored the clinging roses 'round my mountain home so dear  
But it's a little more like heaven when you're near  
It's a little more like heaven where you are.

## GLORIA

DELECTA CLARK EWART G. ABNER, JR.  
Gloria, Gloria, Gloria, oh,  
Please come back to me  
Please come back to me,  
You're the one and you were meant for me

Gloria, I love you, can't you see?  
So, please come home,  
Oh, please come home  
Gloria, please come home  
Hmm, Please come home.

Tonight I pray  
That you'll come back to me  
Come back home, I love you  
Can't you see?

## MESS AROUND

A. NUGETRE  
Ah, you can talk about the pit barbecue,  
The band was jumpin', the people, too  
Ah, mess around, they're doin' the mess around  
Everybody's doin' the mess around  
Ev'rybody's doin' the mess around  
Ah, ev'rybody was juiced you can bet your soul,  
They did the boogie woogie with a steady roll

They mess around, they're doin' the mess around  
They're doin' the mess around  
Ev'rybody's doin' the mess around  
Now, when I say "Stop", don't you move a peg  
When I say "Go", just shake your leg,  
And do the mess around, do the mess around  
Do the mess around  
Ev'rybody's doin' the mess around  
Now this band's gonna play from nine to one,  
Ev'rybody here's gonna have some fun,  
Doin' the mess around, ah, doin' the mess around,  
They're doin' the mess around,  
Ev'rybody's doin' the mess around  
Now, you see that girl with that diamond ring,  
She knows how to shake that thing,  
Mess around,  
I declare she can mess around  
Ah, mess around,  
Ev'rybody's doin' the mess around.

## I LOVE YOU IN THE SAME OLD WAY

PAUL ANKA  
I remember when we used to be in our teens  
Wearin' bobby sox and our old blue jeans  
That was long ago so I'd like to say  
I love you in the same old way  
I love you in the same old way.

I remember when we used to baby sit your brother  
Who was watchin' us but your father and your mother  
That was long ago so I'd like to say  
I love you in the same old way  
I love you in the same old way.

Heaven, I'm in heaven again  
But I can't remember where or when  
But I love you and you love me  
And that's the way it's gonna be.

I remember when we used to be in school  
Learnin' how to live by the golden rule  
That was long ago so I'd like to say  
I love you in the same old way  
I love you in the same old way.

## A MESS OF BLUES

DOC POMUS MORT SCHUMAN  
I just got your letter, baby  
A-too bad you can't come home  
I-I swear I'm goin' crazy  
Sittin' here all alone  
Since you've gone  
I've got a mess of blues.

I ain't slept a wink since Sunday  
I can't eat a thing all day  
Ev'ryday is just blue Monday  
Since you've been away  
Since you've gone  
I've got a mess of blues.

Whoops, there goes a teardrop  
Rolling down my face  
If you cry, (when you're in love)  
It sure ain't no disgrace  
I gotta get myself together  
Before I lose my mind  
I'm gonna catch the next train goin'  
And leave my blues behind  
Since you've gone  
I've got a mess of blues  
Since you've gone  
I've got a mess of blues.

## MY LOVE

OLLIE JONES  
The moon comes out and the sun goes down  
Ev'rything in life goes 'round and 'round  
But my love goes on and on,  
My love goes on and on  
Nothing in the world can change my love for you  
Like the cat told the bird on the window sill  
I'll be loving you from now until  
'Cause my love goes on and on,  
My love goes on and on,  
Nothing in the world can change my love for you  
You keep my heart jumping, flip flop,  
You keep me feeling tip top,  
When ev'rything else is long gone,  
My love will still be going strong,  
You make me mad for a little while,  
But I get so glad when I see you smile,  
My love goes on and on,  
My love goes on and on  
Nothing in the world can change my love for you.

## I'VE BEEN THINKING

FREDERICK GARY MEARS  
 I've been thinking, oh, been thinking  
 You know my heart's not stone and it  
 can be broken  
 I'm sincere but you were just joking  
 I've been thinking, oh, been thinking  
 You've been laughing at me  
 And I am crying for you  
 This doesn't seem fair to me  
 I've got an idea or two  
 I'll start a-laughing at you  
 Then you'll see just how I feel  
 I've been thinking, oh, been thinking  
 Your heart's so tough  
 But mine is tender  
 My love to you I won't surrender.

## I MISS YOU ALREADY

MARVIN RAINWATER FARON YOUNG  
 The time has come, you're telling me  
 goodbye,  
 I know that I can't stop you if I try,  
 I've had too many chances,  
 I'll have to set you free,  
 I watched you go,  
 Too late I know,  
 How much you mean to me.  
 Oh, I miss you already,  
 And you're not even gone.  
 So kiss me once again and say goodbye  
 I'll wait until you're gone before I cry  
 I'll try to find myself a way to face  
 this loneliness

I watch you go,  
 Too late I know,  
 I've lost my happiness.

## GONNA BE WAITIN'

CHARLIE RICH  
 You're gonna be waitin'  
 You're gonna be waitin'  
 You're gonna be waitin' for me  
 Like I been waitin' for you.  
 You're gonna be lookin'  
 'N' wond'rin' what's cookin'  
 You're gonna be lookin'  
 But you ain't gonna find me  
 You're gonna feel lonely the way I do  
 First you start shakin'  
 Your heart starts breakin'  
 Maybe that's the best thing that ever  
 could happen to you  
 You're gonna be sweatin' baby I'm  
 bettin'  
 You'll end up waitin' for me like I been  
 waitin' for you.

## BAD MAN

ALBERT L. BANKS  
 Well, I don't go lookin' for trouble,  
 But now don't ever get in my way,  
 I might laugh sometimes,  
 I'll even joke sometimes,  
 But, baby cakes, I don't play  
 'Cause I'm a bad man.

Yes, I'm a bad man  
 Look out now, here I come now  
 I want to see somebody badder than  
 me,  
 I'm bad.

I'm so bad I can take a penny  
 And scare it into a quarter,  
 And now I'm so bad I can scare a cake  
 of ice  
 Into a bottle of boiling water.

When I say laugh  
 I want ev'rybody to laugh,  
 Even though it may not be funny,  
 Because I'm so bad when I get mad,  
 Peter Gunn pays me protection money.

If I ever decide to take a photograph  
 I'll hide it way back on my closet shelf  
 Because I'm so bad when I get mad,  
 I'm afraid to even look at myself.

## DREAMIN'

BARRY DE VORZON TED ELLIS  
 Dreamin', I'm always dreamin',  
 Dreamin' love will be mine,  
 Searchin', I'm always searchin',  
 Hopin' someday I'll find someone,  
 Someone to love me,  
 Someone to need me,  
 But until then  
 I'll keep on dreamin',  
 Keep right on dreamin',  
 Dreamin', till my dreamin' comes true.

## IF MY HEART COULD WRITE A LETTER

WEISMANTEL SCHELL  
 There's so much I'd like to say,  
 Wish that I could find a way.  
 If my heart could write a letter  
 It would tell you (it would tell you)  
 All the things (all the things)  
 I'm much too scared to say  
 It would tell you how my arms just long  
 to hold you  
 And how I miss you every minute  
 you're away (you're away)  
 If my heart could write a letter  
 Then my darling (then my darling)  
 I'd get a chance (get a chance)  
 To make my dream come true  
 It would ask you  
 Could you learn to care for me  
 And close by saying, I'm in love with  
 you.

## IT'S NOW OR NEVER

AARON SCHROEDER WALLY GOLD  
 It's now or never  
 Come hold me tight  
 Kiss me, my — (darlin')  
 Be mine tonight  
 Tomorrow will be too late  
 It's now or never  
 My love won't wait.  
 When I first saw you  
 With your smile so tender  
 My heart was captured  
 My soul surrendered  
 I spent a lifetime  
 Waiting for the right time  
 Now that you're near  
 The time is here at last.

Just like a willow  
 We would cry an ocean  
 If we lost true love and sweet devotion  
 Your lips excite me  
 Let your arms invite me  
 For who knows when  
 We'll meet again this way.

## BOBBY, BOBBY, BOBBY

MEL GLAZER CHARLIE WEISS  
 CAROLE KING  
 Bobby, Bobby, Bobby, why are you so  
 slow  
 Don't you know that love may pass you  
 by  
 In less than it takes to wink an eye  
 Bobby, Bobby, Bobby, kiss me or I'll die  
 If you were made of iron you would  
 rust  
 Put your arms around me or I'll bust  
 right out and cry  
 Bobby, shy Bobby, try a little hug  
 To start you'll find a way, Bobby  
 Say, Bobby, ev'rything that's in your  
 heart  
 Bobby, Bobby, Bobby, when we're old  
 and gray  
 It doesn't really matter who caught who  
 As long as we're together each day  
 through  
 Bobby, Bobby, Bobby, I love you.

## YOU'RE LOOKING GOOD

M. OLIVER C. CARTER  
Little girl, where did you come from?  
Don't you know that we could have a  
lot of fun?

You just moved into my neighborhood,  
But you ought to be in Hollywood,  
And I want this understood;  
You're looking good, you're looking  
good.

You're not very tall but you're stepping  
high,  
Eyeballs flashing as you walk by  
The cats on the block want to know  
your name

But I was here first and ain't that a  
shame

And I want this understood  
You're looking good, you're looking  
good.

Two and two is four, one and one is  
two

Everyone's got their eyes on you.  
Look at those measurements, man alive;  
Thirty-four, twenty-four, thirty-five,  
And I want this understood  
You're looking good, you're looking  
good.

## THEN MY HEART CRIED

ETTA JAMES HARVEY FUQUA  
I was lost in the world of dreams  
Counting ev'ry star shining over-head,  
it seems.

I watched like the shepherd boy,  
Searching for his lamb  
Here and there and ev'rywhere.  
You came oh yea you, you captured me.  
You came oh yea, you, you captured  
me

You who I adored oh yes, you set me  
free

We kissed and the world was our own  
Then my heart cried oh, I love you so.  
Then my heart cried.

## OUR CONCERTO (Il Nostro Concerto)

HAL DAVID GIORGIO CALABRESE  
UMBERTO BINDI

You'll hear our song and feel me near  
you

You needn't call my heart will hear you  
And once again we'll kiss until the  
dawn

Just like the night our song of love was  
born

When you're alone if you should need  
me

Back to your arms our song will lead  
me

There'll always be a part of me in our  
concerto

Dedicated to love.

You'll hear our song and when you do  
Wherever Fate has led you to  
I'll find you my love.

E la mia mano

## Beauty & Personality Tips...

by Jeannie Thomas

In recent weeks I have received quite a few letters from people who claim they do not have time to do the things they'd like to do. I think they're wrong. We all have the time, the trick is to budget it as one budgets money. You can make time work for you. For example, if you want to learn to play a musical instrument, set up your daily schedule so that you make the time to practice. You'd be surprised how simple it is once you try. Don't waste time talking how you don't have the time to do something — just do it!

The Christmas shopping season will be around before we realize it, so here are a few tips for guidance in gift shopping. First of all, remember that the amount you spend for a gift does not determine the value of the present. Don't give expensive gifts to boys, even if he is your best steady. Give gifts that are carefully and thoughtfully chosen, not the first thing you see handy.

Lipstick Problems? If you have a Long Upper Lip — this is where the distance from nose to lip is too long. Simply make the upper lip fuller. If you have Thin Lips — these are lips that are usually long and straight. Make a generous curve. If you have Heavy Lips draw the line just inside the natural shape and fill in. Never allow your lipstick to go beyond the natural contour. If you have a Wide Mouth concentrate lipstick at center of lips and blend lightly toward corners. For Short Upper Lip, that is when the distance from nose to lip is too short, do not apply lipstick above natural bow. If you have Protruding Teeth, and your upper teeth protrude, you may play this down by filling out the lower lip.

From The Mailbag — From Mrs. Vic Ames, Teaneck, N. J. who wants to know what to do about hair splits or snarls after permanent. Rub a dressing cream in the ends. This also makes hair easier to manage. . . . Mrs. Vera Davilio of Newburgh, N. Y. asks for advice on how to get her husband to mow the lawn. Mrs. Davilio, that's a problem perplexing many a woman. Try cementing your lawn and painting it green.

Do you have a problem? What's bothering you? Write to Jeannie Thomas in care of HIT PARADER Magazine, Derby Conn.

## PLEASE HELP ME, I'M FALLING

DON ROBERTSON

HAL BLAIR

Please help me, I'm falling  
In love with you  
Close the door to temptation  
Don't let me walk through  
Turn away from me, darling  
I'm begging you to  
Please help me, I'm falling  
In love with you.  
I belong to another  
Whose arms have grown cold  
But I promise forever  
To have and to hold  
I can never be free, dear  
But when I'm with you  
I know that I'm losing  
The will to be true.  
Please help me, I'm falling  
And that could be sin  
Close the door to temptation  
Don't let me walk in  
For I musn't want you  
But, darling, I do  
Please help me, I'm falling  
In love with you.

### MIDNIGHT

BOUDLEAUX BRYANT

CHET ATKINS

Wond'rin', I'm wond'rin' why you don't  
thinkin' of you;  
Midnight, tomorrow is on its way,  
empty and blue;  
I'm so lonely, so lonely at midnight for you.

Midnight, oh, what a lonely time to weep, I ought to know,  
Midnight, I should have been fast asleep, hours ago;  
Still I'm cryin', I'm cryin' 'cause I miss you so.

Midnight, I lie in bed awake and stare at nothin' at all;  
Won'tin', I'm won'tin' why you don't care, wishin' you'd call;  
Tears keep flowin', like drops from a waterfall.

### FOOLS FALL IN LOVE

JERRY LEIBER

MIKE STOLLER

Fools fall in love in a hurry  
Fools give their hearts much too soon  
Just play them two bars of "Stardust"  
Just hang out one silly moon  
They've got their love torches burning  
When they should be playing it cool  
I used to laugh but now I understand,  
Shake the hand of a brand new fool.  
Fools fall in love just like school-girls  
Blinded by rose-colored dreams  
They build their castles on wishes  
With only rainbows for beams  
They're making plans for the future  
When they should be right back in school.

### (I'D BE)

### A LEGEND IN MY TIME

DON GIBSON

If heartaches brought fame in love's crazy game  
I'd be a legend in my time  
If they gave gold statuettes for tears and regrets  
I'd be a legend in my time  
But they don't give awards  
And there's no praise or fame  
For a heart that's been broken over love that's in vain  
If loneliness meant world acclaim  
Then ev'ryone would know my name  
I'd be legend in my time.

## THE WHIFFENPOOF SONG

### Baa! Baa! Baa!

RUDY VALLEE      MOSS HART  
GEORGE S. POMEROY   TOD B. GALLOWAY  
MEADE MINNIGERODE

To the tables down at Mory's,  
To the place where Louis dwells,  
To the dear Old Temple Bar we love so  
well,  
Sing the Whiffenpoofs assembled with  
Their glasses raised on high,  
And the magic of their singing casts its  
spell.  
Yes, the magic of their singing of the  
songs we love so well,  
"Shall I Wasting", and "Mavourneen",  
and the rest;  
We will serenade our Louis  
While life and voice shall last,  
Then we'll pass and be forgotten with  
the rest.

We're poor little lambs who have lost  
our way:  
Baa! Baa! Baa!  
We're little black sheep who have gone  
astray:  
Baa! Baa! Baa!  
Gentlemen songsters off on a spree,  
Doomed from here to eternity;  
Lord have mercy on such as we:

## TROUBLE IN PARADISE

BILLY DAWN SMITH   ALLYSON R. KHENT

Callin' all angels, callin' all angels.  
ooh

Callin' all angels, callin' all angels.  
ooh

There's trouble in paradise  
My turtle dove's taken wings  
There's trouble in paradise  
The birds no longer sing  
Some devil told my angel a lot of lies  
And now my tears are fallin'  
Like raindrops from the skies  
There's trouble in paradise  
The stars no longer shine  
There's trouble in paradise  
'Cause she's no longer mine  
That devil told my angel I've been  
untrue  
Won't somebody help me please,  
Tell me what to do  
Mr. Moon, Mr. Sun, tell her she's the  
only one  
Guide her with your lovely light  
Back into my arms tonight  
There's trouble in paradise  
And heaven's not the same  
The angels sit and cry  
They say it's such a shame  
They'd like our love to be just like  
before

Then the trouble in paradise will be no  
more.

## SPEAKING OF HER

JERRY SAMUELS

Speaking of her  
Have you seen her around at all  
Does she know of the woe she started  
For since we parted, I'm so down  
hearted  
I hear she's having fun  
That's something I haven't done  
I wish we could be as one  
As we once were.

And say by the way  
Seems there's something that I recall  
There have been certain rumors brewing  
That she's been doing some rendezvous-  
ing  
But should she ever seek  
A love that has held its peak  
Please tell her I still grow weak  
Simply speaking of her.

**LAWRENCE WELK**

Famous TV star says: "I got my start with a U. S. School Course. How easy it is to learn to read notes and play music this 'teach yourself' way! This school did so much for me that I enrolled my two daughters."

***SURPRISE YOURSELF!*** Start Playing  
Your Favorite Instrument Right Away

**Over 1,000,000 people have taken up music this easy LEARN-AT-HOME way. Even if you don't know a single note now, you too will soon be playing real pieces by note. No "special talent" needed**

**P**ERHAPS you're one of those people who have always "day-dreamed" about playing a musical instrument. You would love to be able to play the music you like whenever you're in the mood... to entertain family and friends... to be in demand at parties. But you can't see yourself spending the time and trouble to learn.

Now you're in for a surprise! With this modern home-study course you can start playing simple tunes right from the start. And in no time at all you'll be well on your way to mastering popular tunes, ballads, cowboy songs, country songs, hymns, great compositions — all

**SEE HOW EASY IT IS!**

Yes, it's easy as A-B-C! You read real notes — no "numbers" or trick music. The lines are always E-G-B-D-F. Memorize the sentence "Every Good Boy Deserves Fun" — and there you are! And the spaces are always F-A-C-E. That spells "F-A-C-E." Simple enough to remember, isn't it? A remarkable invention, the "Note-Finder," tells you automatically just where each note is located on the piano keyboard.

the music you've always wanted to play!

## NO "SPECIAL TALENT" NEEDED

Just choose your favorite instrument — piano, accordion, guitar, or any other. You don't need any "special talent" or previous training. Clear, simple directions and large pictures show you exactly what to do, so you can't go wrong—even if you don't know a single note of music now! You learn at home, in time that's convenient for you. Nobody stands over you — you set your own pace. And you pay only a few cents per lesson, including valuable sheet music which you can use the rest of your life.

## KISS YOUR WALLFLOWER DAYS GOODBYE!

This wonderful course is **FUN**, too! No tedium. No boring scales or exercises. From your very first lesson you'll play melodies

you know and love — actual notes, actual music. Soon you'll be playing one number after another, with fun all the way. If you've ever been a wallflower at parties, kiss those days goodbye. Here's where you find out how nice it is to be the life of the party! You'll find yourself gaining new poise and self-confidence. You'll make new friends. You may even earn some extra dollars.
